**SEEN AT FAMILY SKATING PARTY
ON AUGUST 21ST --**

TIMMIE and TAMMIE WALTON--who just might surpass their parents in skating skill one of these days. (That Tammie is a real doll!)

CARMELITA EDMISTEN'S young daughter charging around the rink in the wrong direction.

WILLIAM TOWNER spending more time sitting on the ice than skating on it.

CLAIRE HANSON looking cheerful and healthy. Good to see you again, Claire.

Our current Pres. - J. HENRY FREDRICKS - presenting a plaque to PAT TOWNER in appreciation for his services as club president last year. NOLA JOY DITMANSON embellished the presentation with a kiss.

Four of our lovely young ladies entertaining the club membership with a skating exhibition par excellence! They were: DEBBIE JONES and KAREN COUSINEAU in solo numbers and NOLA JOY DITMANSON and PAT FREDRICKS in a ladies' pair. Afterwards PAT TOWNER was heard to remark that Debbie is such a personable gal that she even looks good falling down. However, the real surprise in the exhibition was Pat Fredrick's skating skill--she has improved tremendously!

AL MARTIN winning the raffle; his prize--a pair of danskins. Al didn't think they would suit his physique, so he gave them to SHARI LEDBETTER.

And last but not least--the big surprise of the evening was a 13th birthday party for PAULA LATHAM; that is, Paula was surprised. GRANDMOTHER GILLETTE set the stage in the rink coffee shop and club members enjoyed the delicious birthday cake she had baked.

Our Social Chairman, Nola Joy Ditmanson, extends thanks to the following women who served refreshments at the August party: MRS. JONES for the delicious punch; MESDAMES BROUSSEAU, COUSINEAU, FREDRICKS, GAMBILL, and GILLETTE for the cookies and cake, and EVA KERTH BRANDT for playing the music.

NEWS OF THIS AND THAT

KAREN COUSINEAU passed the Rocker Fox Trot (a difficult dance) and TAMMIE GAMBILL passed the preliminary figure test at the Burlingame Rink on August 25th.

PAULINE PACK spent her vacation on a ranch near Bridgeport, California - riding, roping, haying, building fences, etc., etc. Sounds as though we have a real cowgirl in our midst.

WENDY KERTH is home again from the land down under. She had a great time but those cars driving on the wrong side of the street literally threw her. She stepped off the curb, looked in the wrong direction for approaching traffic, and was hit by a car. Fortunately a bruised hip was the extent of the damage--plus a big fright!

Who's that sharp looking female pedaling around North Sacramento these days? Why EVA KERTH BRANDT, no less. Recently Eva accompanied nephew ROBBIE and his fellow Cub Scouts on a bike trip to Discovery Park --about 8 miles of leg work for the round trip.

Did you know that WALT WALTON has been skating for 29 years? No wonder he's so good.

In order to qualify for dance or figure tests, your Capital City Figure Skating Club dues MUST BE PAID.

FRANK YOKOYAMA certainly does a beautiful spread eagle. Next time you see him at the rink ask him to demonstrate.

KAREN COUSINEAU'S attractive skating partner recently is ROBIN BURKE of the air force.

On September 2nd NOLA JOY DITMANSON judged at the Berkeley Invitational Competitions and also served on the artistic judging committee panel.

NOLA JOY is discovering that the life of a working woman is a hectic one--she is completing her second month as receptionist and bookkeeper at Watrous-McClory.

GEOFFREY BROSSEAU passed his second figure test at Squaw Valley on September 1st. Good for you, Geoff!

GAY GOFF and children recently returned from a vacation in New York where she visited her parents.

Patches are going like wildfire! Only a few are left. If interested, call DORIS COUSINEAU, Patch Chairman, at 428-4544.

Newest club member is ROBIN BURKE. Work hard on your dancing Robin--the girls need you (for a partner, that is).
